

UK India Young Professionals Scheme — How to Enter the Ballot Yourself

2-year UK work visa · 100% free ballot entry · verified from GOV.UK on 20 July 2026

Final 2026 ballot: opens **Tuesday 21 July, 1:30 PM IST** · closes **Thursday 23 July, 1:30 PM IST**. Only the places remaining after February's ballot are available. Results by email within 2 weeks. Results are final — no appeals.

Step 1 — Check you are eligible (5 minutes, do this today)

- ☐ Indian citizen with a valid passport
- ☐ Aged 18 to 30 (or will turn 18 by your planned travel date)
- ☐ Bachelor's degree or above (completed)
- ☐ Savings of at least £2,530 (approx. ₹2.9 lakh) — proof of funds that stays YOUR money, not a fee
- ☐ No children under 18 who live with you or whom you financially support
- ☐ Never held a UK Youth Mobility Scheme visa or used this scheme before

Step 2 — Keep these 6 things ready before the ballot opens

- ☐ Your full name (exactly as printed in your passport)
- ☐ Date of birth
- ☐ Passport details (number, issue and expiry dates)
- ☐ A clear scan or photo of your passport photo page, saved on the device you'll use
- ☐ Your phone number
- ☐ Your email address (one you check daily — the results come here)

That is the complete list. No bank statements, no degree certificates, no other documents are needed at ballot stage. Anyone asking for more is not the ballot.

Step 3 — Enter the ballot (about 5 minutes, costs ₹0)

The one and only official link — the entry link appears on this GOV.UK page while the ballot is open:

<https://www.gov.uk/guidance/india-young-professionals-scheme-visa-ballot-system>

Open that page any time between 1:30 PM IST on 21 July and 1:30 PM IST on 23 July, click the ballot entry link, fill in the 6 details above, and submit. Done.

Timing does not matter. Selection is random — entering in the first minute and the last minute have identical odds. There is no “early advantage” and no reason to pay anyone for “priority.”

One entry per person. Duplicate entries are not counted. There is no other website, app, agent portal, or WhatsApp link to enter through — if the link doesn't start with gov.uk, it's a scam.

Step 4 — After you enter

- ☐ Watch your email (including spam/junk folder) for up to 2 weeks after 23 July
- ☐ Not selected? The result is final for this ballot — but you can enter future ballots if still eligible. Nothing was lost: entry was free.

Step 5 — If you ARE selected: your 90-day window

The invitation email starts a **90-day clock**. Within it you must:

1. Apply online for the visa (the link comes in the official email)
2. Pay the £340 visa fee + the immigration health surcharge — both paid directly to UK Visas & Immigration on GOV.UK, never to any agent
3. Book and attend a biometrics appointment (fingerprints + photo) at a visa application centre
4. Have your documents ready: passport, proof of £2,530 held for the required period, degree certificate, TB test certificate from an approved clinic

Selected but changed your mind? You simply don't apply — no penalty, no need to inform anyone.

Step 6 — Scam check: 30 seconds before you trust anyone

- X “Pay us to enter you in the ballot” — entry is FREE and takes 5 minutes yourself
- X “We guarantee selection” — selection is a random draw; nobody can influence it
- X “Send documents / fees now to reserve your place” — no reservations exist; one free entry per person
- X “You've won — pay to claim your visa” via call or WhatsApp — results come by email only, and the only payments are on gov.uk
